To Our Valued Distribution Partners and Customers:

## **RE: PRICE INCREASE ANNOUNCEMENT**

**Effective July 1, 2010** an across-the-board LIST price increase of approximately 5% will be applied to all standard **LA GARD** brand products. Enclosed you will find List Price Book #4 reflecting these changes. You may also visit [www.kaba-mas.com](http://www.kaba-mas.com) for corrections and additional modifications at any time.

As with previously announced price increases, any orders placed on or after July 1, 2010 will be priced according to these "new" list prices. Only previously agreed to bid contracts with a formal expiration date will be price protected. Once these quotations expire, all future orders will be priced to the current list prices at that time.

Thank you for your continued business support.

Sincerely,
